

Jazz in the Pines Volunteers

It doesn't take an army, just a village of dedicated and enthusiastic volunteers to put on Jazz in the Pines. The festival is a fundraiser. Volunteers make it possible to give more to support arts education at Idyllwild Arts Academy and its Summer Program.

Last year the "Village Volunteers" received a standing ovation at the Patrons' Dinner Dance. And most of them had never served a cup of coffee before. Many volunteers have come back every year for eighteen previous years. Would you like to join them and be a part of the show? Here's how it works. For every half day worked, you receive a pass for the other half day of the festival. For every full day worked, you receive a pass for one full day of the festival.

Applications are accepted from persons 18 or older until all positions are filled. Requests from prior year volunteers are honored first. Then we welcome our new applicants. We will notify you by email as soon as we are sure a position is available for you. That will be in the summer and may be as late as mid- August.

Just download, print and complete this application. Send it to: Jazz in the Pines, PO Box 3097, Idyllwild, Ca 92549. We look forward to working with you.

I would like to be a Jazz in the Pines Volunteer.
