

## Vendors

The 60 Artist booths line both sides of the walk-way through the forest between the Main Gate and the three music venues. These booths are available only to artists producing and selling their own works – no buy/sell goods are allowed. The booth spaces are 10'x10' and the artist must supply their own cover, enclosure, and display equipment.

The 10-vendor Food Court is located in a meadow just off the walk-way from the Main Gate to the three music venues. The standard booth space has a 12' frontal and is 10' deep with additional cooking space behind the booth. Additional frontage is available on a per foot basis. Vendors must supply their own code-compliant enclosure, cooking equipment, and supplies. Electric power and water are supplied to each space. Jazz in the Pines will provide the blanket health permit for the Festival.

Solicitation of vendors will begin in February with returning vendors having first choice of location, size, and in the case of the Food Court, menus. Returning vendors must submit an application, with payment, by March 31 in order to retain their same location. Any open spaces remaining after April 1 will be awarded to new vendors on the basis of the earliest receipt of their application

Vendor set-up times for the Festival will be from 3:00pm to 7:00pm on Friday, August 25 and from 6:30am to 9:30am on Saturday August 26. There will be round-the-clock armed security on the Festival grounds from 7:00pm Friday to 7:00pm Sunday at the close of the event.
